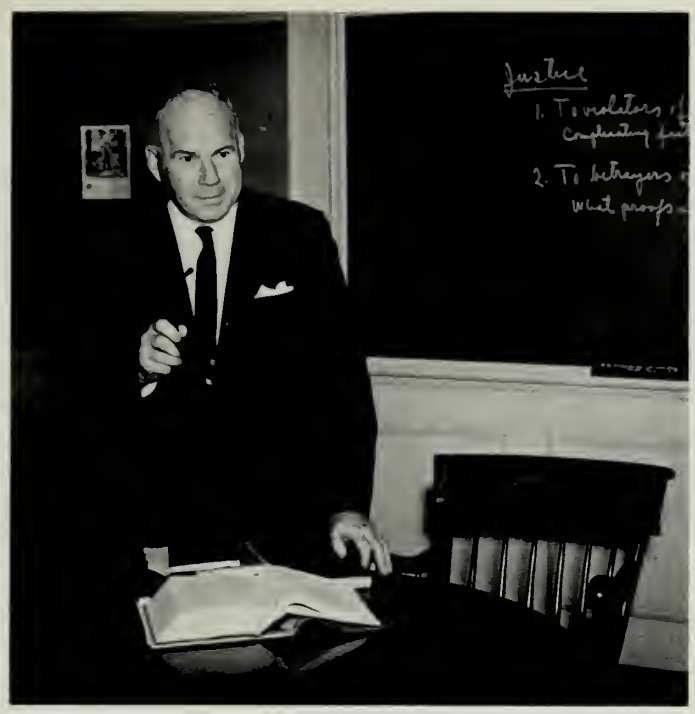
Dedication

To be able to hold consistently a strong position dealing with basic human values and goals during changing times creates a challenge for anyone, especially a teacher. Using his English classes as a backdrop, he has expressed the need for students to discover, through literature, where they stand. For forty-four years he has been ready and willing to support the athletic teams, to help with projects, or to simply converse on a diversity of topics from backwoods lore to a scholarly discourse on philosophy. He is highly respected by faculty and students alike. It is with great pride and pleasure that we the senior class respectfully dedicate the 1974 MILESTONE to:

Mr. A. MacDonald Murphy



A Very Humble Goodbye . . .

I was trying to write and then I found the greatest difficulty, aside from knowing truly what you really felt, rather than what you were supposed to feel, was to put down what really happened in action; what the actual things were which produced the emotion that you experience . . . The real thing, the sequence of motion and fact that made the emotion and which would be as valid in a year or in ten years or, with luck and if you stated it purely enough, always.

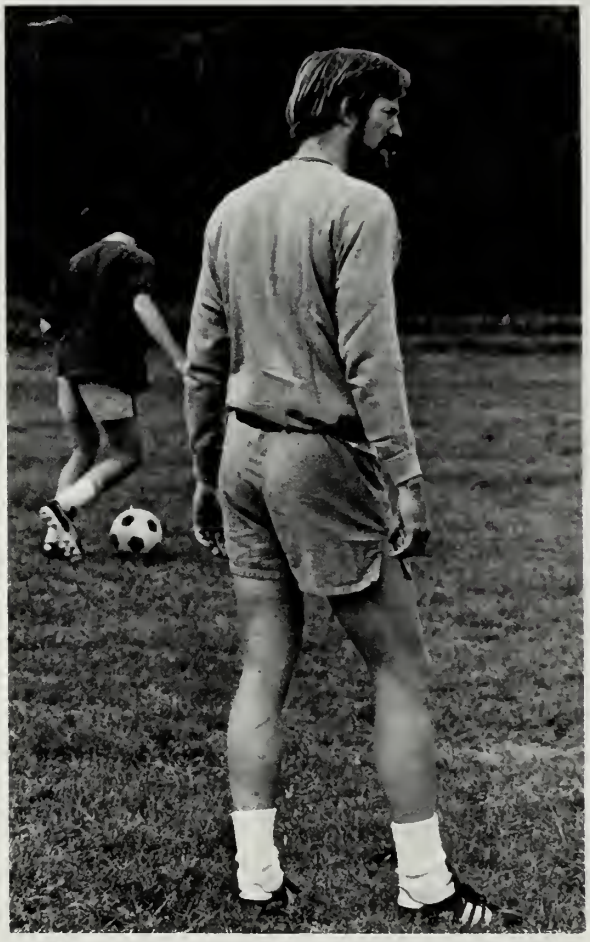
Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do, when it ought to be done, whether you like it or not; it is the first lesson that ought to be learned; and however early a man's training begins, it is probably the last lesson that he learns thoroughly.

Thomas Huxley



I wanted only to try to live in accord with the promptings which came from my true self.

Why was that so very difficult?

Herman Hesse

In 1973, the varsity soccer season was a big disappointment for everyone. This year's team consisted of very few experienced players, compared to other years. There were only four returning lettermen from last year's squad giving the team much needed support. The number of inexperienced players was the determining factor in the way the season went. A majority of the games were lost because of a obvious lack of knowledge and execution of the fundamentals. There were several games that were lost simply from not capitalizing on opportunities in front of the net. Experience would have been helpful in giving the forwards the confidence that is needed in the tense situations in front of the goal.

The two wins were the only times when the team played as a team, the forwards played intelligently with a lot of hustle and the defense worked superbly as a unit.

This year was definitely a building year, and hopefully, next year's team will have the experienced players necessary to compete in a league which takes considerably more talent than was present this year.

Cross Country in 1973 was a unique experience for all involved. The squad began as a young and inexperienced outfit, yet talent materialized so that the opposition was surprisingly devasted. Individuals were of obvious importance to the team's success, yet the fact that the team acted as a unit was what ultimately proved to be the key factor. This young team had as its major task a tremendous reputation to live up to. The previous year, the team had ascended powerfully to the title of Interscholastic and Private School League Champions, having already defeated all private school league class B teams. Thus, the 1973 squad realized they had much to live up to. However, as the season progressed the team grew in strength and confidence.

The outcome of league meets was successful, St. Sebastians, Milton, Browne and Nichols, St. Mark's and others were all easy prey for the Governors, yet a potent Andover Academy team overpowered G.D.A. wtih imported talent. A strong St. Paul's group edged out the Governors. Moses Brown was also victorious on two occasions, the dual meet, and the Interscholastics, and also did the same to Lawrence who had been victorious in the P.S.L.'s.

The most exciting part of the season came as G.D.A. hosted 19 schools in the Interscholastics. A field of approximately 140 runners traversed the 2.7 mile course, and G.D.A. finished in the respectable position of fourth. The large scale meet was a major operation for Coach True, whose team did not reach their expectations, yet, in dual meet competition the team excelled.

Co-captian and M.V.P. Jon Sendor held the number one position for most of the season, finishing fourth in the P.S.L.'s, seventh in the Interscholastics, and winning many dual meets. Rob Squire, the number two man, was a consistently fine runner. Co-captain, Rich O'Leary remained the team's 3rd man throughout the season with an impressive 19th place in the Interscholastics. Two new members, Jim Roome and Tim Bell also played a vital role in the team's success placing 4th and 6th respectively. The team's most improved runner was John Harrington, edging out the fifth position at the close of the season. Although there were many great individual performances, the team's success can be largely credited to the great depth of the squad. As a result of the great coaching of Mr. True, aided by Mr. White, this year's Cross Country team was able to experience a fine season.

Varsity Field Hockey

1st ROW: L. Johnson, Pandapas, P. McElroy, Read, Loring. 2nd ROW: Wise, A. McElroy, Potter, Bendetson, Yesair, Coach Baker.

After three short years, the girls athletic program earned a reputation equal to that of the boys. The school finally gave them a field that did not have swimming pools and mountains to overcome. There was a rigorous interscholastic schedule of Wednesday and Saturday. For the first time, also, there was an abundance of girls—forty of them.

Mrs. Baker had her hands full trying to teach more than half the girls what field hockey was all about. Nancy Storer came to the rescue and volunteered her afternoons to training the minority group of experienced girls. At daily practices, everyone was given the opportunity to scrimmage and improve. Within two weeks, Mrs. Baker named a varsity squad that was to represent Governor Dummer in the stiff competition ahead. After the first game the squad realized that only through teamwork could a victory be possible. The rest of the girls continued to improve their skills while working out with the varsity. During the games, strong support was given all around.

The Thayer game was the highlight of the season. The Governor girls helped each other by passing frequently and baffling the Thayer players. The game ended in a win for GDA. Field hockey not only united the girls as a team, but also as friends who continued their relationship long after the season had ended.

While most of the student body was preparing for another school year at home last September, the varsity football squad was going through triple sessions. The practices were tough, especially for those players who came back out of shape. Everyone was looking forward to the upcoming regular season with a great deal of expectation after last year's poor showing. The first game finally came after the hard work and scrimmaging of the pre-season. St. Sebastian's came to Byfield and dealt us our first defeat. Little did we know that this game was to be indicative of our entire season. Each Saturday would come along and the opposition would go away victorious and leave us in our gloom. During the following weeks, the coaches and co-captains, Ed Beardsley and Matt Mefford, would bring the team from depression to a state where we could play our best game the next weekend.

It would have been very easy to throw in the towel midway through the season, especially after the loss to Milton on Parent's Day, but this team had too much pride, instilled by the coaches and Ed and Matt, to even let that thought enter their minds. The players did not give up on themselves and the coaches never gave up on the players. Speaking as a player, I will never be ashamed of this football season because we never quit. It might seem that this season was pure drudgery but it certainly was not. We had our share of bright spots. Our standout defensive end, Steve Lefemine, was named to the All-Prep team. Steve consistently led the team in tackles and received numerous stars for excellent play. His honor was very well deserved. Steve Bottomley was named to the Honorable Mention Team for his outstanding work in the defensive backfield. The coaches also contributed their own "bright spot." They called it the "plastic machine" and it has left many fond memories in every player's heart. For the underclassmen, this was a season of building, learning and experience. For the seniors, this season was probably their last season and it will be remembered well not for the team's record but for all the good times each player had.

J.V. Football

The junior varsity football team wound up its campaign with a 1-5 record, but it was an encouraging year. After losing its first four games, the team played against Belmont Hill; in which, down by six points at the half, the team rallied for three touchdowns and won 20-6. This win boosted the team immensly and gave them some needed spirit. In the last game of the year, the team was outmanned against unbeaten St. Mark's. It looked as if there was a good chance for an upset, as we trailed by only six in the third quarter. Because of a few key mistakes, on which St. Mark's capitalized, we lost by a large margin. Thanks should go to Coaches Leavitt and Mecham for their fine job during a tough coaching season.

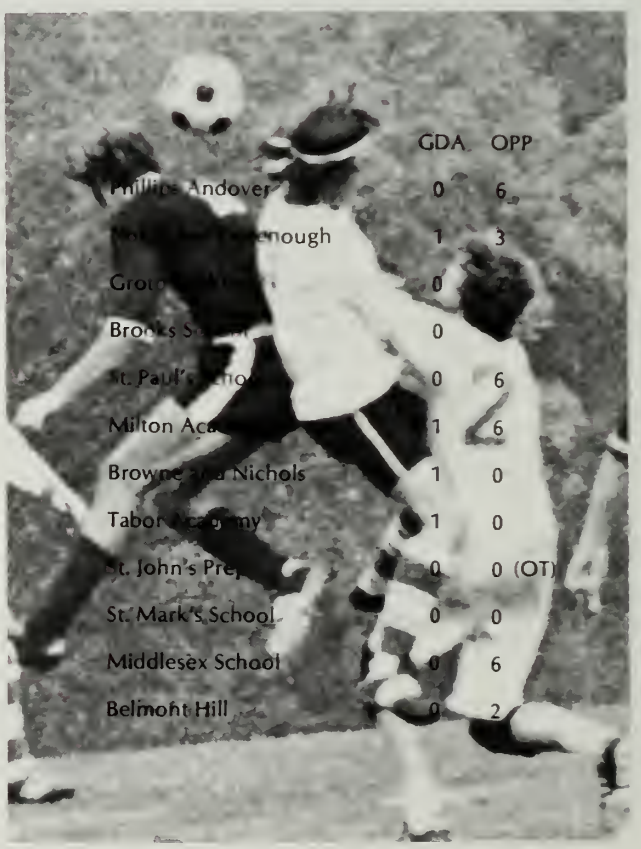
J.V. Soccer

1st ROW: Majdi, Duff, Chapman, Davis, Hagan, Weinshel, Bennet, Pingree, P. Smith. 2nd ROW: J. Stephens, Bedard, A. Pingree, Kennedy, McElroy, Morris, White, R. Arguello, A. Arguello, D. Miller, Ingrassia, Coach Harlow. 3rd ROW: Coach Tindall, Patton, Little, Entekhabi, Torr, D. Baker, Adler, Halloran, Slone, Pendleton, P. Lee.

The 1973 season for the junior varsity soccer was a season of progress. As the season advanced, the team improved a great deal. The season got off to a slow start, as many of the team members were new to the sport and to each other. Slowly the team gained confidence in itself through the coaches', Messrs. Harlow and Tyndal, persistent emphasis on drills and exercise which developed the team members' skills to the fullest. By mid-season, the team started on an exciting but short winning streak in which they defeated Brown and Nichols and Tabor in two almost identical games. By playing both matches with confidence and skill, one goal made the difference against two of the J.V.'s strongest rivals. The ninth game, witnessed by an excited crowd, ended in a deadlock with an extremely strong St. John's squad. Suddenly, after this three game streak, the team's confidence lagged and it went through a period of losses which was only partially made up for by a close game with Belmont Hill, the league champions, in the final game of the season.

Although this year was not a great year for the second team, much was learned. This year was certainly a year of growing for the J.V.'s, so next year may be a year of victory for the varsity.



Frosh Soccer

1st ROW: C. Cornwall, Cawley, Cho, Harper, Ham, Lavoie, Burgon, M. Arsenault. 2nd ROW: Taggart, Boulger, Offerman, O'Conner, Sterge, Robbins, Phippin, Mulherrin, Coach Williams. 3rd ROW: T. Richards, Davis, Vickers, Hsia, Altman, Stephan, Batchelder, Rahmanop, J. Lu, M. Flynn.

The 1973 freshman soccer team had what is normally called a "year for improvement." Surprisingly, the club turned out a record which was neither shamed nor boasted. Most of the talent offered to Coach Williams was fresh. It was not expected of Mr. Witherspoon to recruit a soccer team from Italy, but as the season progressed, so did the attitude and the record of the team. Due to Mr. Williams' dedication to the nature of the sport, he ran the team hard, and it paid off with the team showing a 3-6 record. The record, however, does not account for the attitude and the devotion shown by most of the players. Of course every team gripes on rainy days when the bulletin board boasts a notice saying that there will be practice, but once they were on the field, the team knew what they were playing for and forgot about the weather. It also turned out that for the first time in many years, the third team was a scoring team. Excellent hustle was shown by Kenny Lavoie and Chung ho Cho, who were led by co-captains David Ham and David Harper. A future varsity prospect in goal is Doug Cawley, who saved many games for the team. A strong fullback, David Phippen, showed consistency throughout many games. Good hustle in the beginning of the season was shown by Martin Arsenault, who became injured during the second half. All in all, the third club proved to their coach that they wanted to win, and that they were willing to put out the effort and time.

Frosh Football

Despite only a five hundred record, the 1973 freshman football season was a success for both the coaches and the players. The team exhibited spirit and unity throughout, and introduced several players who are fine future varsity prospects.

Despite the loss of the opening game and the injury of star running back Curtis Evans, the team rallied behind the consistent running of Speedy Brad Levin and powerful Jock Leas, and the rugged defense anchored mobil linebacker Joe Pie trafesa plus linemen Huw Jones and Rick Lee. The frosh won both games against Brooks at home and away. The second game was highlighted by Michael Awkward's winning 36 yard touchdown with only seconds remaining in the game. Though the frosh were strong, they were no match for the tough Andover J.V.'s who handed them a 24-0 loss. The last game decided a winning season as the freshmen easily romped over Shore 18-0.

Much of the success goes to the fine coaching techniques of Mr. Moonves and Mr. Harrington, who even though all the other teams on campus were losing, kept the sense of victory close at hand.

Big things were expected for the 1973-74 Varsity Basketball Team when the season began. The team was composed of experienced previous varsity players, and new talent.

The team had to get ready early for three games before the Christmas break. They did what had to be done. They raced off to three overwhelming victories over Nobles and Greenough, Groton, and Lawrence. The wins looked devastating with Nelson Johnson dong most of the scoring and the rest of the team outrebounding and outrunning the opponents. All of the expectations seemed to be well-founded, and the team left for Christmas Vacation with visions of sugarplum basketballs dancing in their heads and thoughts of the Private School League Tournament.

However, reality soon set in upon returning to school. The Big Red Team quickly dropped their next three games to St. Sebastian's, Belmont Hill, and Rivers. The rest of the season became a struggle for .500 mediocrity with some high points but mostly monumental depressions. One of the low points was travelling in a snow storm to Moses Brown, who could have passed for the P.C. Friars, and not only losing a lopsided ballgame, but also losing a van to mechanical failure on the Southeast Expressway.

The season was not without some good performances. The Governors managed to upset St. Mark's in a down-to-the-wire contest when St. Mark's choked on a last second shot, and play what was their best game of the year in a losing cause versus Milton. The Big Red finally got a chance to play Milton at home, and they outscored them handily in all but the disastrous

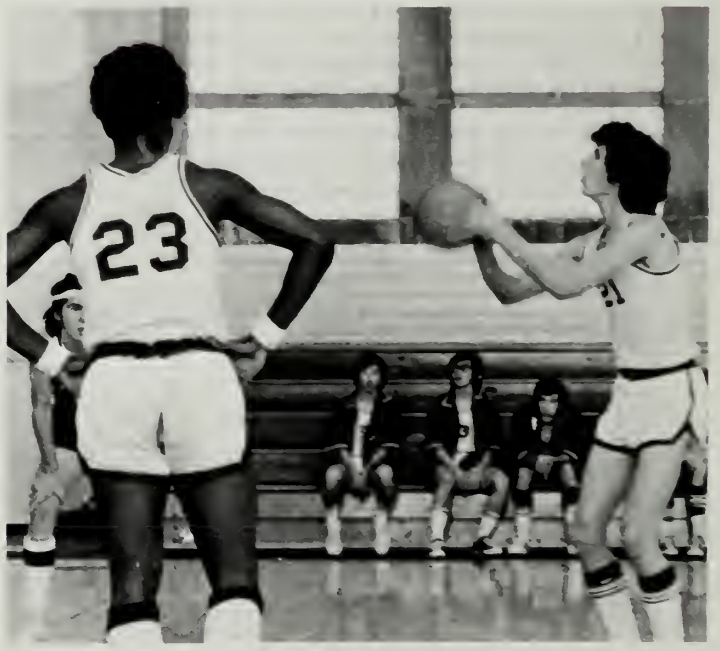
first period. It was in this game that everything that the team was supposed to be able to do was done. The squad ran well, rebounded well, moved the ball well, and most importantly played together as a team well. All of this was done against a solid Milton club, so that even as a loss the game can be remembered as an outstanding one. If the team had only looked that good consistently, the over all record of seven wins and eight losses would have been drastically better.

Individually, several people had outstanding seasons. Nelson Johnson, a junior, led the team in scoring, most of which was done in spectacular fashion. Another junior, Ed Beardsley led the squad in rebounding and was their principal outside shooting threat. Co-captain Fran Burke proved himself the best defensive forward and showed some great inside power plays. He also hustled his way to having the most skinned knees. The other co-captain, Dave Williams filled the ballhandling role, defensive guard job, and at times he even found a hot scoring hand

Ed Beardsley was chosen as the year's Most Valuable Player. Ed will use the qualities that earned him that award to lead the team as Captain next season.



Cross Country Skiing

1st ROW: Vickers, Pandapas, Schoen, Rice, Porteous, Babcock, Auerbach, J., De Meir, Ross, Cohen, A. 2nd ROW: Coach White, Woodhull, T., McElroy, N., McElroy, P., Pendleton, Spaulding, Smith, H., Kenneally, Lennon, Wang, Purinton, Morris, Ahari, Chase, B., Chase V., Fogel, Woodcock, Winslow.

The 1973-74 ski team proved to be the most powerful ski team that Governor Drummer has had in its short history. A classic example of this is that we placed second in the P.S.S.A. League ski meet at Middlesex School on Feb.13. Although Joe Kenneally was hindered at this race because he had to break-in the unprepared trail. The team was not let down because our skiers in back of Joe skied magnificently and placed fifth, seventh and eighth, thus showing strength in our team effort. This year we had no super-skier, but rather six strong ones, whose ski times were so close to each other that I cannot mention accurately their relative places on the team. On any given day one of those top six skiers could take the first place position. The top six skiers however, were in alphabetical order Brandon Chase, Joe Kenneally, Skip Pendleton, Rob Spaulding, Courtney Wang, and Jon Woodhull.

This years downhill ski team although not as successful as the cross country ski team had its good points also. This was basically a building year for them. Jon Woodhull and Jon Auerbach helped the team extensively by setting slalom courses at the various practice slopes. This years top skiers were Jon Woodhull, Bob Winslow, Jon Auerbach, and Tim Woodhull.

It is hoped that the younger members of the team have gained an invaluable amount of experience this year so they may carry on this year's tradition into the future.

In order to win, one must strive for perfection. At times, this year's Varsity Hockey team settled for mediocrity as opposed to perfection; thus a team with the ability to attain a "500" season ended up with a 4-12-0 record. Offensively the team compiled a respectable point total of 99 (45 goals, 54 assists), which is 53 points better than last year's total, but defensively our coverage left much to be desired. Hockey is an aggressive sport, and aggressiveness starts in the defensive zone. Coaches Harrington and Kennedy did an outstanding job. They taught the team everything it needed to know, and helped it all they possibly could. However, a coach can do only so much with a team; how the team performs is up to the players. Although there were only four wins, these were the most a Varsity Hockey team has won in four years. This year can be the start of an upward trend in Governor Dummer hockey, provided next year's team, led by co-captains Peter Robertson and Ben Young, strive for perfection and nothing less.

The team will be losing nine players this year due to graduation: co-captains Bottomley and Connolly, Perry, Hancock, Tozer, Lefemine, Holihan, Wallace and Leonard. Returning to form the nucleus of next year's squad will be: Robertson, Young, Roome, White, Harding, and Lenane; and sophomores Ogden and Casey.

Girls' Varsity Basketball

1st ROW: Johson, L., Harris, Pope, D., Bendetson, Huffsmith, G. 2nd ROW: Manager Sargent, Bell, V., Gravelle, Coach Baker.

Compared to the remarks from last year, GDA's 1973-1974 Girl's Varsity Basketball was no "added attraction", but was the first successful girl's team from a win-loss point of view. It was also a team the school and players could be proud of for their showing of manners, sportsmanship and good humor, which was commented on by several rivals.

The whole basketball program consisted of twenty girls, divided into varsity and junior varsity squads, both squads practicing simultaneously under Coach Baker. The girls enjoyed working with each other and there was never a problem of finding a substitute during a practice scrimmage.

One usually asks how a team does, but the combined efforts of eight individuals resulted in victories over such teams as Andover Academy and Pingree, where basketball has been long established. Captain Debbie Pope's mid-season injury hurt the team's lineup against St. Paul's and Exeter, and made a weak point in GDA's defense. Senior Carol Bendetson performed consistently, guarding the opponents' best player on a man-to-man basis, while Debbie Gravelle and Lisa Johnson fed the taller players for points, beside scoring with their own long shots. New faces such as Shelly Smith and Gretchen Huffsmith accounted for many rebounds and heart attacks on the opposing side, especially when facing the latter's powerful frame on a jump ball. Vikki Bell was in the right position at the right time and center Fiona Harris made an all time high, scoring 25 points against Andover Academy.

The five returning players hope to change the 5-4 record to an undefeated season. As Mrs. Baker said at each game, "If you want, you can win," and . . . why shouldn't next year's team?

Girls' J.V. Basketball

1st ROW: G. Hoglander, Warren, Barry, Wright. 2nd ROW: Blanchard, Palais, Potter, A. McElroy.

Considering that this was only the second year of organized girl's basketball at G.D.A., and for many on the J.V. team, the first season of team play, it is a pleasant surprise to discover that the girls had what could be considered one of the best teams in regard to wins and loses. Winning all but their two games with Exeter, the girls watched in stunned surprise as such strong teams as St. Paul's and Browne and Nichols bit the boards. All members of the J.V. team also participated and contributed towards the varsity's triumph over Lawrence.

Sarah Barry, captain and spectacular dribbler, led the J.V. team as the seasons high scorer. Lisa Palais and Pam Blanchard, the other backcourt players, applied unpenetrable defense and ran the offense. The team sorely missed starter Alison McElroy, out for most of the season with a broken finger, but rookies Shelah Warren and Ginny Sutton learned the plays quickly and were each major contributors in all aspects of the play. Kimmie Potter's friendly snarls kept the team playing together, as a unit, and all were amazed at Sarah Cavanaugh's parallel turns! Other ingredients of the successful season were such greats as "Swifty", "the peanuts", "Lee the flea", "Bubu", "Betsy Wetsy", "Fingernails Wright", "Hoggie" and "Jodi the Coyote", not to mention our manager "Coy Joy" or "Sarge the Charge", aided by "The Wise Bubble".

Disappointing is the best way to describe the Governor's J.V. Basketball season. Despite the fine coaching of Mr. Tindall and the obvious talent of many players, the team suffered from inconsistent play, which caused many of its losses.

The team began slowly, but as the season progressed, gained experience and were finally able to win a few games. The first victory was obtained in a convincing come from behind win against Rivers. A week later, the combination of a well executed offense along with a tough defense, secured the second victory over a strong Middlesex club. The untimely injuries to key players hindered the success of the Governors in future games.

It was a learning year for the young team of four juniors and eight sophomores. Many of these players will move up to the varsity and should play important roles in the success of next year's team.

Frosh Basketball

1st ROW: Kight, Altman, Adler, Benson, Arreli, C. Cornwall. 2nd ROW: Coach Adams, Batchelder, Jones, H., Weickert, Boulger, R. Lee, Man, O'Connor. 3rd ROW: Rudolph, Hsia, Halloran.

Throughout the third Basketball team's winning season, each opponent was beaten by over ten points, while all losses were suffered by no more than four. The season opened with a convincing fifteen point victory over Brooks. After a stretch of three weeks without a game the team played Belmont Hill, and due to a lack of timing, lost the game by two points. After a close loss to Shore, the team beat Pike by twelve points. At Browne and Nichols they were down by eleven points and came back to gain the advantage of two points with three seconds to go. The game was tied by a desperation throw from beyond halfcourt, which took the steam out of the club, and they lost in overtime. The hoopsters then got ready for their last two games vs. Shore and Brooks, and both were won quite handily. High scorers were Adler, Arieli and Benson, with great backcourt action from Boulger, Jones, Knight, R. Lee and Holloran. The team was coached by Mr. Adams, who taught them the concepts of Basketball, while having fun at the same time.

Although the Winter Track Team had a losing record, their season was considered successful because they were impressive at the Interschols with an almost all Junior and Sophomore team. The season was also considered successful when one looks at the fact that the Governors lost 15 men to graduation and they have no indoor facility.

While the January thaw made the outdoor workouts bearable, the "Alumni Gym workouts" drew the school's attention to this otherwise unnoticed team.

Throughout the year, the team plodded along with a winless record because they lacked depth in most events. Mike Hyman paced the Governors in the sprints, while Rich O'Leary was the leader in the distance events. The team's high point was the "revolving relay" which always included Mike Sappupo and anchorman Dave Bohman with "special guest appearances" by Hyman, O'Leary, Doug Baker, Mark Myers, Chris Taylor, and Tim Bell.

Then came the Interscholastics and the team caught fire, stealing second prize. Doug Baker was the "star of the day" as he took second in the 300 with a 34.5, just a second off the school record. Baker also ran a leg for the relay team which included Sappupo, Bell, and Bohman. Chris Taylor and Gerry Greenman were impressive in the 45 yd. low and high hurdles. Taylor took third in the lows and fifth in the highs while Greenman finished fourth in both events. Hyman and Bohman captured fourths in the 50 and the 600, respectively, while John Giampa and Jay Nearis took fourth and fifth in the shot put. O'Leary finished fourth in the mile and fifth in the 1000 and Rob Squire took fifth in the two mile.

Only Hyman, Greenman, and captain Myers will be gone from this year's team and next year looks very optimistic for the Governors. Coaches Abusamra and Jones along with next year's co-captains Bell and Bohman expect to lead a victorious team in 1975.

J.V. Wrestling

1st ROW: Neyman, Rahmanop, Pingree, S., Laub, Cho. 2nd ROW: Lu, J., Clayman, Miller, Hughes, Patton, Coach Evans.

A relatively small J.V. wrestling team, which appeared rather inexperienced, turned out an even season. The squad's consistent enthusiasm and effort worked well under the coaching of Mr. Evans, who had the task of coaching both teams. There were very few new wrestlers this year unlike past years, yet those new members who did participate were eager to learn and they gained experience with ease.

Unfortunately, the J.V.'s were not able to participate in the usual Freshman-Sophomore tournnament because of its size, it has always been an enjoyable and challenging experience.

This year's team has been small, but powerful, with plenty of potential for the future. They should help to form a solid Varsity team for next year.

The J.V. Hockey team turned in a fairly successful record: winning five, losing eight, and tieing one. The team constantly exhibited excellent hustle and good spirit, which led to many close games ending in our favor. As compared to last year's team, we had a big scoring punch with Eric O'Brien notching eight goals, Steve Winer scoring seven, and Brian Noyes also knocking in seven. Throughout the season Greg Pope was superb in the nets, and kept the team in many games. An example of his fine goaltending came in the Andover game when he stopped four breakaways, which enabled us to win the game 5-3. The climax of our season occurred in our last game, against St. Marks. We went into the third period with a comfortable 3-1 lead, but St. Marks came back and tied it up with only a minute left. The hours of hard practice then shone through is sudden death, when Brian Noyes fired the puck between the goalie's pads. It was an extremely fitting ending to a very enjoyable season. The success, however, must be credited to the coaching of both Mr. Leavitt and Mr. Meechum, to whom the team owes a great deal.

Frosh Hockey

This year's Freshman Hockey team finished up with an unfortunate 3-6-1 record. Plaqued by short practice time due to bad ice, the frosh were virtually outplayed by every team they faced. Starting off with a loss to Middlesex was a big let-down, but then the red rallied for consistent wins over Brooks and Berwick. Fine play by defenseman Bob Torr, who led in scoring, and goalie Dave Phippen, who had a fine goals-against average of 4.60, kept the Frosh going in some of their close games. Although not much was accomplished, a lot was learned by every player.

The Governor Dummer Varsity Baseball team has posted a 2-10 record this season. In the last five outings the team has fared poorly. The opposing team has scored 47 runs compared to 7 for Governor Dummer. The primary reason for this great imbalance is that the team has been inconsistent. For example, the quality of pitching has been inconsistent. Bill Skaff has pitched some fine baseball for GDA this year. Against Middlesex this year Bill did not allow a run after the third inning. The other starting pitcher, Scott Williams, has not performed up to pre-season expectations. Bill Shaheen, the third pitcher on the staff, showed promise with two fine outings. The infield has performed well this year. It consisted of senior co-captains Steve Lu and Fran Burke at third base and short stop respectively. At second base was senior Andy Plante platooning with junior Ed Palmer. First baseman for this year's team was John Giampa. The outfield has had constant change due to the fact that all the players have near equal ability.

This year's Track squad turned out to be more well-rounded than many had expected. Many people have contributed to this year's partial success. Even freshmen and sophomores who started running for the first time, have much to show in the way of personal gains and records.

The season started with a reasonably strong third place finish at the Exeter Relays. Following this there were two second place finishes against Moses Brown, in a tri-meet, and a second place loss to Thayer. The Governors easily beat Triton in a tri-meet to finish just behind Deering High School. The next weekend the Governors soundly trounced Milton and Browne and Nichols in a tri-meet. In a dual meet with Hebron, GDA swept a series of events and came up victors. On Saturday, May eighth, as the bulk of the season lay behind, the Governors met with St. Paul's and Belmont Hill, only to be trounced by St. Paul's, while beating the Hillies who have yet to defeat a GDA track team. At this meet a number of outstanding performances were given, of which the greatest was by captain Woody Wallace. After a 10.2 personal record in teh 100-yard dash, Wallace ran his seasonal best 440 time of 50.0, equalling the school record.

The most recent win for the team was scored against St. Sebastian's to complete an 8-5 record, not including the fifth place finish at the Class B Interscholastics.

The Varsity Lacrosse team can boast a tieing record of 7-7 (the last lost occurring at the alumni game). Victories were impressive as the stickmen rolled over Lawrence, Kimball Union, Bowdoin, Winchester, and Exeter added to the previous wins atop of Rivera and MIT freshmen. Losses were to a strong Andover club, St. Paul, St. Mark, Harvard, Mt. Hermon, and Noble and Greenough.

Against Exeter, the game ended with a victorious 10-6 score. The win was attributed to a relatively poor Exeter club in comparison to past years. The St. Mark's game was a hard fought battle but GDA could not overcome the strong team and lost 7-4. In the Bowdoin game GDA blew the opposition off the field 12-4 in one of the best games of the season. Jim O'Donnell won face-off after face-off and GDA got four big goals to start the scoring pace. The Winchester game proved victorious for GDA as Ben Young racked up 7 points to lead the scoring for an 8-6 win. In the next game the Governors shut out Lawrence for an 11-0 win. Baker played a sensational game in the nets. The Kimball Union match proved to be a well played game as GDA won by a convincing score of 12-3. Young led the attack with 9 points. The last four games were disasters as GDA lost to an undefeated Andover club 14-6, a strong St. Paul's team 12-6, and again to an undefeated Noble and Greenough squad with a 6-1 final. Its last losses were at the hands of a powerful Tabor squad and a well coordinated Alumni team.

Although a rarity at Governor Dummer, a winning record has been secured by the varsity tennis team. The finest tennis team to represent GDA in years has posted a surprising 10-4-0 record, with its most recent loss being at the hands of a strong Belmont Hill squad, who are the number one team in the league.

The team won eight matches in a row to achieve its fine record. It beat Exeter, Browne and Nichols, Andover, and Newburyport High School rather easily; and the underclassmen gained needed experience. Matches against St. Paul's, Milton, and Brooks were extremely close: all were won by a score of 10-8. Co-captains Steve Winer and Colin Cross were the decisive factors in each match, winning or splitting their singles. Whenever a win was in jeopardy, their encouragement and outstanding play enabled the Governors to emerge victorious.

It is doubtful that GDA has ever possessed such a fine group of tennis players. Its captains and Tim Statler will be missed immensely next year; but the team has two returning juniors and three sophomores, all of whom played a great deal this spring. The one goal that the team strived to reach was to have a winning record. In fact, the varsity tennis team not only had a winning season, but one of the best records in the school.

Although the Girls' Varsity Lacrosse team tied Exeter in their first game, the season closed at 1-5-1. Lawrence Academy hosted the team's only win, 5-4, after a humiliating defeat at the hands of St. Paul's, 10-0. The girls played several of the best teams in this area, whose experience and skills outclassed GDA. Unlike most of the opposition, the varsity squad consisted of at least six players new to the game. Sutton and Barry made tremendous improvements during the season and had many shots on net. High scorer for the season, Pandapas, was key on the attack, scoring three goals against Pingree and Exeter. McElroy contributed several goals in the course of the season as an attack wing while Babcock adapted to playing both attack and defense very well. Bendetson, Wise, and Bell were indispensable because of their aid in teaching technique and attitude to younger members of the squad.

Finally, Walz, Huffsmith, and Harris contended with the powerful attacking opposition. As proved towards the end of the season, with more experience the team will be better suited to compete against the current opposition.

Mrs. Baker felt strongly that most of the games could have been won, but she is hopeful because the girls who are new to the game have made substantial progress.

The Governor Dummer golf team, with a 5-4-2 record, played their last match against St. Sebastian's. It has been a surprisingly successful season for the team! Thanks to the consistent play of senior co-captains Palmer and Bottomley, plus the help of seniors Arnold, Peterson, and McCusker, the team gained wins over Noble and Greenough, Triton (twice), Lawrence, and Gordon College. The biggest surprise of the season was the tie against a strong Tabor squad. Tabor won at numbers one and two, but Governors Weinshel, and McGary, McCusker and Peterson came up with wins to tie the match. Next year's team will be hurt badly by the loss of seniors graduating, but will make up for it hopefully by showing the same winning attitude they had this year. The returning varsity consists of number three man Weinshel, and number five man McGary, who, both in their first year at GDA, have contributed greatly to the squad by their experience and competitiveness. Next year's fortunes rest on the development of the J.V.'s and the hope of some incoming talent.

With the help of Mr. Eames and Mr. Witherspoon, the squad has improved this year and is looking forward to further progress with their guidance.

COMMENCEMENT

ACADEMY PRIZE

There are two prizes which are awarded by vote of the entire faculty; one is the Morse Flag, awarded earlier this evening. The other is the Academy Prize. For many years the Academy Prize was maintained by the mother of Headmaster Emeritus Edward W. Eames. In June 1959 the underclassmen of the Academy endowed this prize so that henceforth at each Commencement it could be given "in honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes". It is awarded to that senior who, by his unselfishness and sportsmanship, has best exemplified the spirit of the school.

There are some individuals in whose presence one can feel an impalpable but undeniable force which combines both strength of mind and of character Such individuals have a steady influence on those around them. In the right circumstances their inner drive may manifest itself in a creative impatience with the status quo or in fiery competitive leadership. So it is with the winner of the Academy Prize for 1974. I have spoken of him at length already. The Commencement Dinner awards ceremony ends, as it began, with the presentation — this time the esteemed Academy Prize, presented by Mrs. Eames — to

DAVID BARNITZ WILLIAMS of South Byfield

THE MORSE FLAG
1974

The Morse Flag was first awarded at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Reverend Glenn Tilley Morse, a long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown during the past year may be given to a member of the graduating class.

This year the Morse Flag is awarded to

JAMES COOK PRAMBERG of Newburyport

There is a very special depth of meaning to the Morse Flag award. Jim Pramberg knows, as all of us either know or can guess, the range of talents and of individual contributions represented in his class. The Morse Flag does not signalize some rare personal endowment different from that settled upon lesser mortals; it recognizes, I think, a young man or woman who has drawn uniquely upon his own store of gifts, of energy, of sensitivity, in the interests of all.

The catalogue of Jim Pramberg's achievements is long and broad. Member of the Cum Laude Society at the end of his junior year, at or near the top of his class academically from the first, he has edited the "Milestone" for the Class of 1974, come off the bench to spark the varsity basketball team, been a steady point winner in track, sung in the choir, acted on the stage — and in Jim's case Harvard's loss is Dartmouth's gain. (Naturally, I speak from no bias, but what better could be said of a man than that he has chosen the Hanover plain as the scene of his next endeavors.)

Everyone here knows that these, impressive as they are, are but the outward trappings of success. Jim Pramberg holds the Morse Flag in 1974, not merely for what he has done but for who, in the eyes of all of us, he has become. Congratulations, Jim!

WILKIE SERVICE AWARD

Last year a new major prize was awarded on this occasion for the first time. It was conceived to honor a senior whose contributions to the community outside the school best demonstrate the deep concern, the unfailing sympathy and aid, for which Val and Marge Wilkie are affectionately remembered. For a second time, fortune has favored us by having the Wilkies here to present this prize. It goes this year to a quiet leader whose influence has been clearly felt in spite of his unpretentious demeanor.

A solid worker with youngsters for three terms of service at the YWCA pool in Newburyport, he afterward turned his attention, as a teacher's aide, to helping retarded children. This interest grew into his senior project which he has concluded much loved by the children, much respected by the adults in the program. It is rumored also that, in selling an astounding total of raffle tickets to everyone in sight for the benefit of Vietnamese children, he squeezed gold even from the ghosts who stalk the Mansion House and on stormy nights rattle the bell in the Little Red Schoolhouse. Co-chairman this year of the Senior-class Graduation Committee, the winner of the Wilkie Service Award is

SETH DUDLEY KILGORE of Marblehead

EDITOR'S PRIZE

The Yearbook Achievement Award is given each year by the editor to that member of the MILESTONE organization whose efforts to the production of the book have been most outstanding.

CAROL LYNN BENDETSON
1974

GAFFNEY PRIZE

The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940, is awarded to that senior who, in the opinion of his teachers, has been most considerate of the rights, opinions, and sensibilities of others.

The recipient of the Gaffney Prize this year is recognized for his toughness when toughness has been required, his sensitivity on behalf of others and of the school, his steady leadership in campus activities, in the dining hall, and in the dorm. Officer of the Radio Club, varsity letter winner twice-over in football and wrestling, and a strong dorm proctor in the Cottage, he is

THOMAS GUINN HUFFSMITH of Boxford

GOODWIN ATHLETIC PRIZE

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy from 1916 to 1949, is given to the senior who, by athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

Those who have coached or observed athletics over a period of years know the vast difference that exists between the players who are merely individual "stars" and those whose value to the team goes far deeper than physical prowess alone. Boston Celtics aficionados amongst us see John Havlicek as an example of the latter. This year's winner of the venerable Goodwin Athletic Prize has, by his good sense, his warmth of feeling, and his independence, earned his own place of respect in the school. And thus, has conquered the demanding double role of student and son of a faculty family. Holder of the Francis Scholarship, for many months during his junior and senior years, a member of the Discipline Committee, Most Valuable Player in soccer, and co-captain in soccer, basketball, and lacrosse this year, the winner of the Goodwin Athletic Award is

DAVID BARNITZ WILLIAMS of South Byfield

ANNE MARIE MURPHY ATHLETIC AWARD

This year, with the sad passing of Anne Marie Murphy, we lost a friend, a charter member of the first co-educational contingent at Governor Dummer Academy in almost seventy years, a lively spirit. In a desire to recognize Anne Marie, and her love for and participation in the life of the Academy, the Murphy family has made us the gift of Anne Marie's savings account, the income from which will not only help to provide necessary equipment or facilities for girls' athletics, but more especially establish for girls from this time on an award of equal prestige with the Goodwin Athletic Prize for boys.

The first recipient of this award possesses, like her male counterpart, those wider, deeper qualities as a student and as a person which make her contributions as an athlete take on a special luster. A premier student in her class, co-managing editor of the "Milestone", member of the Athletic Free Term and the Senior Project Committees, and participant in a whole host of other school activities — finally a member of the Cum Laude Society — she has this year distinguished herself in field hockey; as captain of the girls' basketball team; and as captain and Most Valuable Player in girls' lacrosse. I have invited here tonight, to present for the first time the Anne Marie Murphy Athletic Award . "to that senior girl who, by her example and by her achievement in athletics, has brought high honor to herself and to her school", Anne Marie Murphy's brother. The recipient:

CAROL LYNNE BENDETSON of Haverhill

SPECIAL PRIZES

Through the continued generosity of Mr. Milton Dodge of Newburyport, tonight there are eight Special Prizes to be presented to members of the senior class whose perseverance, courage, initiative, sense of responsibility, loyalty, and/or concern for others have contributed to the strength of the Academy.

1. From his first week at the Academy last year, this lead-off winner of a Special Prize for 1974 has demonstrated excellence, competitive drive, and leadership. Co-managing editor of the yearbook, elected co-captain of the tennis team in both his junior and senior years, as well as performing as a spearhead in soccer and basketball, holder of the Ingham Scholarship and member of the Cum Laude Society in his junior year, he even dented the stage in the part of the eccentric (to say the least!) "Old Actor" in last fall's sparkling performance of "The Fantasticks"

COLIN PAUL CROSS of Pigeon Cove

2. From many quarters — from underclassmen, and from seniors looking back over their careers here — has come during campus discussions warm testimony to the value of strong senior proctors in underclassmen's dormitories. If service in this role were the sole contribution of the next Special Prize winner, it would in itself be much. Outside of the dormitory, however, he has been an indomitable target of flying pucks for two years, an unerring marksman on the fairways and the greens for three. Co-captain in his senior year of both varsity Hockey and varsity golf, a senior proctor on Perkins 2, he is

STEPHEN DAVENPORT BOTTOMLEY of Brookline

3. The spectrum of activities to which the next recipient has lent his time and his talents is impressive. In academics, a member of the Cum Laude Society; in organizations, Business Manager of the "Spire", member of the Student Council and the Red Key Society, Chairman of the Social Committee; for two years super efficient manager of the basketball team, as well as team member in lacrosse, and finally, captain and Most Valuable Player in cross country; a bear for work and a major contributor in the school,

JONATHAN BARRY SENDOR of Westbury, New York

4. Consistency and solid performance throughout four years at the Academy distinguish this fourth recipient of a Special Prize this evening. As a sophomore, he was honored with the Whittemore Award for his contributions to the school. Nor has he been a stranger to the Honor Roll. As early as his junior year, he was a co-captain of baseball; as a senior, he added to this co-captaincy another in basketball, and was winner last fall of the Navins Cup in soccer. During the worrisome days of this spring, he has come with others to see me more than once, in their common concern for the welfare of the Academy community,

FRANCIS MADDEN BURKE, JR. of Natick

5. Elected to the Cum Laude Society at the end of the junior year; active member of the Drama Club, the Press Club, the Community Service Group; co-chairman of the Graduation Committee for the senior class; contributor in countless ways on campus; outstanding in her capacity as Editor in contributing to the growing strength and quality of the "Governor" — a perfect symbol of the value of day students and girls to the Academy community in the 1970's — winner of a Special Prize tonight is

RANDI MORSE BIRENBAUM of Haverhill

6. Leadership need not always be spelled out in captaincies or editorships. It may be signalled, as well, in the breadth and quality of one's influence. A steady performer in varsity soccer, basketball, and tennis, co-chairman of the Red Key Society, one-man back-up for Mr. Clunie as sole senior proctor in Mason Cottage, he finished his last two terms in school solidly on the Honor Roll. In addition, he is a living reminder to me of my approaching senility in view of the fact that his father was a student at the Academy when I started my teaching here nearly three decades ago,

TIMOTHY HAWTHORNE STATLER of Kalamazoo, Michigan

7. If one had to choose but two other attributes to go along with a good education, it would be hard to pass over common sense and reliability, qualities possessed in abundance by the next recipient of a Special Prize. A steady contributor in football and basketball, it is in golf that he, as captain, asserted his leadership on the way to this spring's winning season. Honor Roll student, too, it was as a representative of the Social Committee, however, that he threw at me in my office one day the most enigmatic question I have been faced with all year: "Mr. Ragle, the Social Committee would like to know whether it may sponsor a Human Day?" I have never answered that question, Tom, but whatever it is, I expect it is something we should have had.

THOMAS HOWARD PALMER, III of Bangor, Maine

8. The last to be honored by a Special Prize this evening is a quick-change artist: scholar and member of the Cum Laude Society; stalwart of the Glee Club on the one hand and captain of the winter track team on the other; president and station manager of WQLI; a properly-frustrated Charlie Brown, a suave El Gallo in "The Fantasticks", and — yes, I know, Harvey. I haven't forgot your loyal friend, Elwood P. Dowd — his disguise tonight is as our esteemed toastmaster:

MARK SAMUEL MYERS of Newton

CUMINGS PRIZE

The Cumings Prize was established by the family and friends of the late Fred T. Cumings or Troy, New Hampshire. It is awarded annually to a student who has shown perseverance, hard work, and good spirit in his school life.

A member of the "Milestone" staff, treasurer of the Drama Club, library proctor, track man, and holder in his senior year of the Hale Scholarship in recognition of his increasing stature as a leader in the Governor Dummer community — this year's recipient of the Cumings Prize was called upon during the busiest period of his senior year to fill a gap as Chairman of the Student Council. He has contributed greatly to the resurgence of that body during the latter half of 1973-74. The Cumings Prize is this year awarded with gratitude to

MICHAEL ALPHONAS HYMAN of Florence, South Carolina

BEST THESPIAN AWARD:

To make this award this year we have a very special guest, indeed . . .

(Speech by Harvey)

Thank you, that was put with inimitable succinctness. The senior of whom our honored six-foot guest has so eloquently spoken is

MARK SAMUEL MYERS of Newton

AMBROSE SPEAKING AWARDS

At the senior dinner on Wednesday night I sat beside your toastmaster of last night. In talking about Mr. Navins' senior Speech course — I think he was suggesting that I should take it — he brought up the cogent point that, no matter how brilliant the idea, it may be worthless if he who formulates it cannot communicate it to others.

Last night three seniors demonstrated the happy consequences of the skillful conjoining of thought with expression. This morning it is my pleasure to present them with the three Ambrose Prize Speaking Awards:

First:	MARK SAMUEL MYERS of Newton
Second:	RAYMOND ERNEST BROOKS of Newburyport
Third:	WHITNEY LAWRENCE SCHMIDT of New York City

WHITTEMORE AWARD

The Timothy Rogers Whittemore award is voted annually by the senior dormitory proctors to that member of the sophomore class who, by his attitude and perseverance, has made the best contribution to the Academy. It is awarded this year, in consequence of a most difficult choice, to a strong, silent, and solid contributor,

HAYWARD THOMPSON ADAMS of Hamilton

INGHAM FUND SCHOLARSHIP

The Ingham Fund Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former headmaster of Governor Dummer Academy, in honor of his father, the late Samuel Kellogg Ingham of Saybrook, Connecticut, to help an industrious and able boy work his way through school.

This year's winner, a top student, and a stalwart in three sports is:

BRADFORD PARTRIDGE WHITE of Duxbury

HARVARD PRIZE BOOK

The Harvard Prize Book, has been endowed by Mr. Roger B. Coulter, Class of 1913, first winner of the Morse Flag and a former trustee of the Academy, so that it may be awarded each year in the future. The book is awarded to that member of the junior class deemed most worthy through high scholarship and character.

A top scholar in her class, an imposing athlete among the girls, active, attractive, a hard-working and a willing contributor, the recipient of the Harvard Prize Book for 1974 is

FIONA CONSTANCE HARRIS of Topsfield

HALE SCHOLARSHIP

The Hale Scholarship was established by Dr. and Mrs. Clayton H. Hale in memory of their son, Dean Channing Hale of the Class of 1961. It is awarded to that student who, through his own perseverance, has shown the most improvement in the various aspects of school life and has become an esteemed contributor to the well being of the Governor Dummer community.

Naturalist, spear fisherman, photographer, and wrestler (among other interests) the holder of the Hale Scholarship next year will be

SCOTT ALEXANDER DRAPER of
Garrison, New York

FRANCIS SCHOLARSHIP

The Francis Scholarship was established by Mr. and Mrs. Clarence Francis in June 1941 in memory of their son, Richard Hawes Francis, of the Class of 1936. It is awarded each year to an underclassman of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness during his school life.

The Francis Scholarship this year goes to a solid citizen, a staunch friend to any who merit her friendship, and a delightful daughter of the village of Byfield,

LOUISE SANBORN JOHNSON of Byfield

MOODY KENT PRIZES

The Moody Kent Prizes are given annually to those students throughout the school who have achieved outstanding records in various academic departments. No more than one may be awarded to the same student.

1. The Moody Kent Prize for the highest standing in ENGLISH is awarded to
   CAROL LYNNE BENDETSON of Haverhill
2. The Prize for the highest standing in HISTORY to
   EDWARD SCOTT WILLIAMS of
   Exeter, New Hampshire
3. The Moody Kent Prize for the highest standing in FRENCH is awarded to
   STEVEN MARK WINER of Marblehead
4. The Prize for the highest standing in SPANISH to
   JOSEPH WILLIAM KENNEALLY of Saco, Maine
5. The Moody Kent Prize for the highest standing in GERMAN goes to
   PAMELA JO McELROY of Topsfield
6. The Prize for the highest standing in LATIN to
   WHITNEY LAWRENCE SCHMIDT of
   New York City
7. The Moody Kent Prize for the highest standing in SCIENCE goes to
   JAMES COOK PRAMBERG of Newburyport
8. The Prize for the highest standing in MATHEMATICS to
   COLIN PAUL CROSS of Pigeon Cove
9. The Moody Kent Prize for the highest standing in RELIGION goes to

10. The Prize for the highest standing in ART to
    DAVID DICKENSON SCHUMANN of
    Binghamton, New York
11. The Moody Kent Prize for the highest standing in MUSIC goes to
    JONATHAN DAVID AUERBACH of Swampscott

COLMAN SCHOLARSHIP

The Edmund Coffin Colman Scholarship is awarded to an undergraduate who has shown proficiency in the study of languages. The hold-

THORNDIKE HILTON CUP

The Thorndike Hilton Cup was established by the Class of 1919 in memory of their classmate, Thorndike Hilton. It is awarded each year to the ranking scholar in the senior class. With the cup goes a silver medal.

The prestige of a prize derives from the intensity of the competition in which the winner prevailed; the value which a prize carries with it rests squarely upon the stature of those who come close. This June 1st, the margin between the leading scholar in the Class of 1974 and his runner-up, in corrected averages based upon a four-point scale, was a tiny but decisive 2/100 of a point.

This year's recipient came to the Academy this past fall and proceeded to live up to the excellent credentials which he brought with him. In the short space of nine months, he has fashioned for himself a position of respect and appreciation in his class. Active in the radio station, the Chess Club, and the Social Service swimming program in Newburyport, he was elected just a few weeks ago to the Governor Dummer chapter of the Cum Laude Society. The premier scholar in the class of 1974 is

WHITNEY LAWRENCE SCHMIDT of New York City

BARRISKILL PRIZE

The James M. Barriskill Prize, established in 1960 by the students in memory of Mr. Barriskill of the faculty, is awarded annually to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

A member of the Academy Honor Roll throughout his senior year, the winner of the Barriskill Prize has, for all his four years, been active in instrumental groups in this school; throughout all four years he has sung with both the Chapel Choir and the Glee Club; two years ago, he was a member of the orchestra which accompanied the Drama Club's production of "Man of La Mancha"; last year he performed the same function for "Camelot". Later this evening, you will meet him in yet another role. He is

RAYMOND ERNEST BROOKS of Newburyport

BAUSCH & LOMB MEDAL

The Bausch and Lomb Medal goes to that senior who, in the estimation of the faculty, has been most outstanding in the study of science.

DONALD JOSEPH BURCHELL, JR. of Salisbury

RENSSELAER POLYTECHNIC INSTITUTE MEDAL

The Rensselaer Polytechnic Institute Medal is awarded to a member of the junior class who has been outstanding in the study of mathematics and science during the year.

JOEL CHET NARVA of North Dartmouth

pride in quality education

Governor Dummer Academy is widely known for its high academic standards and for the excellent learning environment the college preparatory school offers. Its historical beginnings extend as far back as the days of the Massachusetts Bay Colony, when Lieutenant Governor Dummer willed 500 acres to the town of Newbury. We are indeed fortunate to have this outstanding educational institution so near. The Newburyport area—a good place to live; the Institution for Savings—a good place to bank.
